

Account Certifications Form

Use this form after a new account has been opened online, only if your client will not be electronically signing our Customer Agreement.

Please note that the preferred method for client authorizations is electronic signature through our site.

Instructions

If your client(s) signs this package instead of signing on our site, you may upload a PDF of the signature page to our advisor site at www.folioinstitutional.com using the account specific **Item for Attention** found on your advisor **Dashboard**, which will remove the restriction on the account for the missing Customer Agreement client signature.
